## INDEPENDENT AUDITORS' REPORT

To the Members of CN Employees' and Pensioners' Community Fund

We have audited the accompanying financial statements of CN Employees' and Pensioners' Community Fund, which comprise the statement of financial position as at December 31, 2014, the statement of revenues and expenditures, changes in net assets and cash flows for the year then ended and notes, comprising a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Page 2

*Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of CN Employees' and Pensioners' Community Fund as at December 31, 2014, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

# CN EMPLOYEES' AND PENSIONERS' COMMUNITY FUND

Notes to Financial Statements

Year ended December 31, 2014

---

The CN Employees' and Pensioners' Community Fund (the "Community Fund") was registered on September 9, 1999. Initially focused on the Province of Quebec, the scope of the Community Fund widened on October 13, 2006 to include all CN employees and pensioners located in the Province of Ontario. In 2012, the Helping Hand Program was launched and the Community Fund began to distribute donations, subsequent to approval from the Helping Hand Committee, to CN employees and their immediate families under the Helping Hand Program (Note 6). On February 8, 2013, the Community Fund amended its incorporating document by filing supplementary letters patent in view to extend geographically the activities across Canada.

The Community Fund distributes these donations, subsequent to approval by committees representing the donors, to various community and national organizations which are involved in charitable and/or medical well-being activities who have a federal charity registration number.

The Community Fund, a charitable organization registered under the *Income Tax Act*, is exempt from income taxes and is able to issue donation receipts for income tax purposes.

## 1. Significant accounting policies:

The Community Fund prepares its financial statements in accordance with *CPA Canada Handbook - Part III - Accounting Standards for Private Sector Not-for-Profit Organizations*.

### (a) Revenue recognition:

The Community Fund follows the deferral method of accounting for contributions.

Externally restricted contributions, such as amounts received from employees, pensioners and sponsors, from fundraising events or for the Helping Hand Program (Note 6), are recognized as revenue in the year in which the related expenses are recognized.

Revenue from contributions is recognized on the statement of revenues and expenditures, net of expenses when pertaining to fundraising activities. CN subsidizes all administrative expenses related to the operation of the Community Fund in order to ensure each dollar of employees and retirees' contributions are directed towards the charitable organization of their choice. Contributions for the year do not include contributed materials and services.

### (b) Contributions receivable:

Contributions are recorded as a receivable when the amount can be reasonably estimated and collection is reasonably assured.

# CN EMPLOYEES' AND PENSIONERS' COMMUNITY FUND

Notes to Financial Statements, Continued

Year ended December 31, 2014

---

## 1. Significant accounting policies:

### (c) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. Fluctuations in the fair value of the equity instruments held by the Community Fund for the Helping Hand Program as well as any divided income earned by these equity instruments are recorded as an adjustment to contributions received in advance - Helping Hand Program and they are not recognized on the statement of revenues and expenditures as the income is restricted in its use.

Transaction costs related to the sale of financial instruments measured at fair value are expensed as incurred.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Community Fund determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Community Fund expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

## 2. Donations paid in advance:

Donations made by the Community Fund for its ensuing year campaign are reflected as donations paid in advance.

## CN EMPLOYEES' AND PENSIONERS' COMMUNITY FUND

Notes to Financial Statements, Continued

Year ended December 31, 2014

### 5. Contributions receivable:

The following represents contributions receivable:

	2014	2013
I.T. Christmas Baskets	\$ 28,430	\$ –
CN Hockey Greatest Stars Challenge	26,101	2,000
Other	9,832	8,522
Light the Night Walk	7,765	8,962
Movember	460	1,233
Jeans Day	40	100
Auction Activity	30	170
WOC Jeans	–	1,060
Casual for a cause	–	400
Contributions receivable	\$ 72,658	\$ 22,447

In 2014, none of the amounts receivable at year-end were recognized as revenue for the year (2013 - nil).

### 6. Helping Hand Program:

In 2012, Mr. Claude Mongeau, CN's Chief Executive Officer, and his wife, Guylaine, donated to the Community Fund 84,000 common shares of CN to set up a program that provides financial assistance to CN employees and their immediate families to help their children with special needs, whether physical or intellectual. Employees submit their applications, which are reviewed, approved and processed by the Helping Hand Committee.

Proceeds from the sale of these shares are to be used only for the purpose of providing financial assistance to CN employees and their immediate families under the Helping Hand Program as well as to cover the Program's administrative expenses. Any income generated by the shares is restricted for the same purpose.

# CN EMPLOYEES' AND PENSIONERS' COMMUNITY FUND

Notes to Financial Statements, Continued

Year ended December 31, 2014

## 6. Helping Hand Program (continued):

The value of the investment at year-end includes an unrealized gain of \$1,837,452 resulting from the change in fair value of the common shares of CN from when the shares were donated on June 19, 2012 to December 31, 2014 (2013 - \$1,129,272).

On October 22, 2013, CN announced that its Board of Directors has approved a two-for-one stock split of the Company's common shares outstanding. The stock dividend was paid on November 29, 2013, to shareholders of record at the close of business on November 15, 2013. There was no similar stock split during 2014. The number of shares outstanding at December 31, 2014 is 49,863 (2013 - 64,938).

The following table summarizes the assets available for the Helping Hand Program:

	2014	2013
Cash	\$ 41,643	\$ 118,615
Investment - Helping Hand Program:		
Mutual fund	41,143	13,895
Common shares (2014 - 49,863 common shares at \$80.02 per share; 2013 - 64,938 common shares at \$60.56 per share)	3,990,037	3,932,645
	4,031,180	3,946,540
Amount available for the Helping Hand Program	\$ 4,072,823	\$ 4,065,155

## 7. Financial risks:

The Community Fund is exposed to price risk related to equity securities held as part of the Helping Hand Program. Equity securities are subject to fluctuations in price due to the specific performance of the underlying company of which the shares are held. The Community Fund's equity holdings are limited to CN stock. As a result, the Community Fund is exposed to a concentration of price risk due to the undiversified nature of these holdings. Fluctuations in the value of the equity holdings could have a significant impact on the funds available for distribution under the Helping Hand Program.

## 8. Comparative information:

Certain comparative information has been reclassified to conform to the financial statement presentation adopted in the current year.
